### **Governing Body Endorsement Requirements**

#### **Section 1: Overview of governing body endorsements for the Tier 5 (Temporary Worker) Creative and Sporting category of the points-based system**

This page provides a brief explanation of the endorsement requirements a sport governing body has agreed UK sponsors of the Tier 5 (Temporary Worker) Creative and Sporting category of the points-based system must show.

**The Tier 5 (Temporary Worker) Creative and Sporting category** is for sportspeople (and their entourage where appropriate) and coaches who are internationally established at the highest level in their sport, and or will make a significant contribution to the development of their sport in the UK.

**Sport governing body** is one recognised by one of the home country sports councils like Sport England. Every governing body must be approved by the Home Office before they are included in [Appendix M](#) of the Immigration Rules.

**The application process explained:** migrants applying to come to the UK under either of the sporting categories above need to be sponsored by an organisation that has a sponsor licence under Tier 5 (Temporary Worker) Creative and Sporting.

If you wish to sponsor such migrants, you must have a sponsor licence. Before you apply to the Home Office for a licence you must be endorsed by the governing body for your sport. This endorsement confirms to the Home Office that the application for a licence is from a genuine sports club (or equivalent) that has a legitimate requirement to bring migrants to the UK as sportspeople. Once licensed, you can assign certificates of sponsorship to a sportsperson or coach with a job offer that allows them to apply for leave to enter or remain in the UK. Each individual must also have a personal endorsement from the governing body for their sport before you assign the certificate of sponsorship.

The list of governing bodies and the tiers for which they are currently approved by the Home Office is in [Appendix M](#) of the Immigration Rules.

Approved governing bodies will work within the Home Office [code of practice for sports governing bodies](#) and must comply with any immigration regulations, UK legislation and the principles of the Points Based System as detailed on the [GOV.UK](#) website.

## Length of endorsement

Governing body endorsements should be issued for a period appropriate to the period of approval for sponsorship or the tier under which the migrant's application is being made, that is:

Type of application	Tier	Length of endorsement
Sponsor	Tier 5 (Temporary Worker) Creative and Sporting	4 years from date of issue
Migrant	Tier 5 (Temporary Worker) Creative and Sporting	For the length of the contract or up to a maximum of 12 months, whichever is the shorter period.

## Change of employment

If a migrant is intending to change employer, their new employer must request a new governing body endorsement. The endorsement can be issued for the length of the contract or to the maximum period permitted within the category, whichever is the shorter. The new employer must assign a new certificate of sponsorship to the migrant to allow them to apply to the Home Office for new leave to remain. Leave to remain must be granted before the migrant can start work with the new employer.

## Salary

The salary should be agreed as part of the contract between the migrant and the sponsor. This and the other conditions of employment should be at least equal to those normally given to a resident worker for the type of work undertaken.

## Supplementary Employment

Migrants are eligible to undertake supplementary employment under the Home Office supplementary employment regulations. The supplementary employment section of the [Tiers 2 & 5: guidance for sponsors](#) has more information on this.
